Shepherd's Table is a nonprofit organization in downtown Silver Spring, supported by volunteers, religious organizations, government, businesses, foundations, and individual donors. Our mission is to provide help to people who are homeless or in need by providing basic services, including meals, social services, medical support, clothing, and other assistance in an effective and compassionate manner. Since 1983, Shepherd's Table has been a necessary and effective resource welcoming and serving those in need within Silver Spring and the larger Montgomery County. We build upon our successful strategy to make the community a better place for our clientele and others to live, work, and operate a business.

Over the past 4 ½ years we are acquainted with DC MetroSaisamsthan (DCMSS). They have been providing sandwiches to the Shelters clients on Thursdays. We sincerely commend DCMSS for their unconditional support on a week day. They have lent a helping hand to us to fight hunger in Montgomery County. They have also donated several times over 1000 sandwiches during their mega sandwich drives. They are a dependable and committed nonprofit organization with a single goal of serving the community.

I would like to take this opportunity to wish them good luck in their temple opening ceremony and look forward to working with them on many more food drives to drive hunger out of our community.
